Alt Regional Committee Member Report

MEETING DATE February 3, 2019

AREA REPORT DATE: February 24, 2019

EMAIL leighann1957@gmail.com

On February 3, 2019, I participated in the Regional Meeting via Zoom.

- ITCC proposed using G Suite

- Emails for Trusted Servants.
- TEAM Drives which is a drive that offers free cloud-based storage to enables users to store and access files online. We can create a Secretary's drive, Treasurer's drive, budgets can be easily kept to be accessed by future trusted servants looking for examples of setting up their budgets. Trusted servants could upload their reports to the Secretary's drive
- Folders can be created in each drive. This is similar to folders you create on your computer.
- Various permission levels for these drives and folders are available. Public-Only Trusted Servants of the region or Members of your Team (PR/H&I/Outreach)
- Google Docs/Sheets/Slides/Forms Documents/spreadsheets/PowerPoints, etc can be created and saved right in the Google Drives
- Google Groups VRSC Trusted servants or Subcommittee groups to be used if there is something we only want to go to trusted servants.
- Ad Words Up to \$10,000 free each month. We can use this to attract potential members or professionals looking for more information to our website. When someone searches for "drug problem" our website would show up in the search.

- H&I Chair, Eric P was introduced

- Some of the things that our Regional and Area Public Relations Committees are doing include, but are not limited to, PR booths, presentations, putting literature in public libraries, flyer hanging days, and getting new members excited about PR! The Mid-West Area is holding a PR

booth at a 3-day event in April and have requested the use of the Region's presentation board, which they are excited to accommodate. They also learned that a few of our Areas need some assistance providing literature to go in our literature racks in public places where addicts frequent. The main purpose is to help the PR committees within our Region, and providing some IPs is absolutely something they can do. They have also made contact with the State Senator who is the Chair of the State's Health and Welfare Committee and plan to do a presentation for that committee and hopefully even to the Governor! They also have contacted the person in charge of a state website of resources called tntogether.com and corrected the link which was supposed to send people to an NA website, but instead was sending them to something the state was doing around peer recovery specialists.

- Here is a brief summary of some pertinent figures from VRC 36: Registrations: Total 449 - 89 Early Bird, 117 Pre-registrations and 243 Registrations, Newcomer Donations: \$793.73, Entertainment: 140 Comedy Show Tickets Sold, 99 Concert Tickets Sold, Fundraising: \$3,168.04 raised in the Auction Merchandise: \$4,384.87 sold at the convention - Merchandise sold out :), Hotel Liaison: 100 Banquet tickets sold, 46 Brunch tickets sold. The committee cleared \$6,194.91 and stated since the purpose of VRC 36 was to carry the message, provide a venue for fellowship and not lose money in the process the mission was accomplished.

- VRC 37 is glad to report they are running hard but are a little bit understaffed. They have a bank account now and are using SunTrust Bank. The first payment to the Marriott was made on January 21. The total with the hotel is \$2426 if room block is met. The theme is set as: The Labor of Love. Artwork will be voted on at the next committee meeting. They need registrations and room reservations at this time. VRC 37 was placed on the na.org website and ask the event is placed on regional and area websites.

- VRC Guideline AdHoc Committee discussed what changes are being proposed to the guidelines and presented those changes as recommendations to the VRSC. They recommended a timeline of the guideline revision in relation to implementation and coordinating with the new quarterly schedule of the VRSC meeting. They determined that VRC would be on a 2-year commitment to comply with the new VRSC schedule. They also recommended the schedule that would follow. I have include both documents.

- Nominations voted on. I failed to obtain the votes from the groups at the last Area. The only vote I could confirm was Primary Purpose to I voted the rest of the groups as Present But Not Voting. All three (3) positions passed: Lucy O as ITTC Chair; Lydia S as Outreach Chair, Michelle H for Treasurer

- May 6, 2019- 40th anniversary of Narcotic Anonymous!

- **Policy and Procedure** – No report
- **Public Relations** – Our PR subcommittee met February 2 with 4 people in attendance. We discussed how to get Narcotic Anonymous information to the public, in the best way possible, and are now working to get our IP's in more public libraries. Jerry and I did an information table at the main library from 1p - 3p February 16. For the most part there was some interest about what NA has to offer to addicts in the Memphis area. On March 15, PR is attending the opiate summit conference at the University of Memphis. We are doing either a table or booth about NA in the Memphis area and feel this a great venue to get our message out to the still suffering addict. Upcoming event is May 4 at Overton Park which involves drug court. We are currently discussing the best possible way to get our message out to all involved there. There will be a PR subcommittee meeting, date TBA. All are welcome to attend and be part of our PR efforts.
- **Outreach** – Hello family, all is well with Outreach. I will be getting in touch with the contact at Trinity United Methodist Church next week to reserve a date and location for our service fair. OPEN FORUM TOPICS

- **Prudent Reserve** - *Financial Procedures, item G: The prudent reserve should equal one month's operating expenses of the WTASC. This sum should be the total of all the monthly operating expenses added together, then divided by twelve. This figure should be updated at the end of the WTASC's fiscal year. This will be added to the treasurer's report at the end of the treasurer's term. There is question regarding the accuracy of*

the formula Excel uses to tally the final figures. This formula will be reviewed by Taylor O, Glenn H, and Mandy R. A final report will be available next month. **Update: the final report was not available this month. Will review next month.**

- **New building for area to meet** - Hope Presbyterian Church was discussed as an option for a new location for WTASC. They can provide us with a room large enough for H&I and Area to meet. There will also be a room in which to lock up our literature. Hope has requested the time of our meeting and the estimated number of people who will be present. Brooks S will report the hours of 12:30p to 5:30p with an average attendance of 60 addicts. Brooks will also find out if it is possible to have our literature mailed to Hope's address. A policy change is not required to change the location of area per our guidelines. GSR vote will be sufficient and would not need to go back to groups. Brooks S will bring an update next month: **VOTE: Yes - 17, abstain - 0, no - 5. we will meet at Hope Church 3/24/19 for H&I and Area Rm222-224.**

Narcotics Anonymous
World Services

Hello,

We are writing with exciting news. The review draft of the *Mental Health in Recovery* informational pamphlet (IP) is posted on the NAWS website! www.na.org/mhmi. This IP is intended to support members in recovery who face mental health challenges.

Project Background:

This project stemmed from both a regional motion and the literature survey in the *Conference Agenda Report*. WSC 2016 approved a motion: “That the NA World Board develop a project plan which includes a budget and timeline to create an information pamphlet specifically about mental illness and recovery for consideration at the 2018 World Service Conference.” The Conference supported this motion (93-17-1), and the mental health pamphlet received a high priority ranking in the WSC literature survey. WSC 2018 approved a plan for the project, and the World Board formed a workgroup to develop the IP.

Draft Information

Prior to the formation of the project workgroup, we had received 792 pieces of input from members in 26 countries. We are pleased to be able to reflect much of what we heard in this draft. The pamphlet draft has topic headings to assist members who have specific concerns. Some important points are restated in the pamphlet to emphasize their significance. Because this IP is intended to reflect and support the experience of our members, we have included quotes from individual members and NA recovery literature.

Review and Input Questions

This pamphlet is primarily intended to help members in recovery who face mental health challenges. We have included a list of questions about the draft in the cover memo. Focusing

your input on these questions will help us to make the draft more useful and beneficial to members. Thank you very much for your help in creating NA literature.

We will accept your input in whatever form it is offered. However, we prefer you to fill out the online form if possible: www.na.org/mhmi. Input will be received until May 15, 2019.
