EXECUTIVE COMMITTEE

- **Chair** – No report
- **Vice Chair** - No report
- **Secretary** – No report
- **RCM** - "

FYI: The region needs an Alternate Treasurer – Anyone in your groups interested?

Cleantime requirement is 3 years. See me for a list of duties and responsibilities or visit the regional website at <https://natennessee.org/download/vrsc-guidelines/>.

If you'll be attending the VRC this year in Chattanooga, please reserve your hotel room and also register – it helps greatly with planning and funding. It's easy to do online (<https://2019.vrcna.org>) and also you should have registration forms in your groups and if not, download one from the website.

I'm **attaching** the new VRC timeline for when nominations for VRC chair and the hotel bids and more need to be in. It lists Memphis as hosting the VRC in 2021. Of course this doesn't mean we HAVE to host VRC, it's just that we've been having VRC in this rotation schedule for years. Any area can make a bid at any time.

FYI - Please note:

November 2019: Informal discussion about chair/committees

January 2020: Hold 1st planning meeting for nomination of chair election

February 2020: Bring chair nomination to VRSC

I had a request from our PR chair to ask region for a PR presentation board. I did this. The question was asked - after I shared about the success of NA in May and how we are now selling 2 different books for \$5 – if we have all this money in our area bank account, why are we asking region for money for such a vital service as Public Relations. I couldn't really answer that question. Although maybe next time we have a surplus of money we can consider financially supporting our subcommittees' needs. The region did approve the presentation board for our area and a couple other areas.

The nomination for Sam D. for VRC 38 Chair passed.

The funding of VRC was a topic and the region decided to hold funds in our account to help cover this year's VRC in case the financial help is needed.

We discussed a recommendation Mike B. from Nashville for a nomination to the World Board

After lengthy discussion, the body voted unanimously to recommend Mike B. to the World Board of Narcotics Anonymous.

The region voted to fund our VRSC chair to attend the Southern Zonal Forum in Arkansas in October. I abstained because they couldn't guarantee the amount would be under \$500. And any funds spent over \$500 need to go back to the groups.

Be looking for the upcoming NA Way Magazine which should highlight one of our Areas, The Heart of Tennessee. Area!!!

The regions of the Southern Zonal Forum were asked to come back in October with our region's 'vote' on moving the July 2020 zone up a week to coincide with the 502 area's convention. I'm assuming none of you all really care about this one way or the other, but if you do, please let me know

Any questions, call or email me – 901-497-0691 or lucy.owens@gmail.com.

This is my last area as P&P chair. It has been awesome to give back to you guys with was so freely given to me.

Public Relations – All is well with PR. This coming Saturday Sept 28 at 9 am, at the Benjamin Hooks main library, there is a recovery and treatment event where we will have a booth. There may be a cookout. Every NA member is a public relations member. On a monthly basis, PR will be meeting with different entities, like the Memphis Area Prevention Society, to discuss prevalent recovery issues. PR also sold to a local outpatient facility, and half-way house \$40 of literature. Destin and I will speak there this coming Friday.

Proposed changes to the West Tennessee Area Meeting Schedules.

September 15, 2019

We had an impromptu online Public Relations meeting using ZOOM. Since 2004, I have been maintaining, printing and distributing them. They have been printed quarterly, at Clarke's Quick Print in Germantown. The West Tennessee Area website now has the ability to update our meeting list to a live database.

Because the data is always up to date there, I now have the ability to print the schedule copy for the printer and the suggestion was made to print the schedules monthly and only 1000 instead of the 3000 which was quarterly amount.

The format of the online meeting schedule needed some tweaking and we want to thank Lucy O for bringing it up to up to our standards.

We believe that the new format is more pleasing to the eyes and has more information in it.

Printing monthly allows more up to date info in the schedules.

The new format can print on smaller sheets of paper, which will save some money.

The cost of our meeting schedules had cost \$250 a quarter before this meeting.

After getting multiple quotes for 1000 meeting schedules including Office Max using the SAN DIEGO/IMPERIAL REGIONAL SERVICE OFFICE OF NARCOTICS Anonymous discount card which had been provided to me. The estimate was approximately \$65 per 1000. This amount times 3 is \$195. This will save \$220 a year. There was no way that we couldn't go with Office Max now.

We voted on the new format and it was approved. We also decided print 1000 meeting schedules on a monthly basis.

I paid for this printing out of my pocket and plan to submit a receipt for reimbursement today.

We need to discuss the current Meeting Schedule set aside and when to make change to it if we continue using Office Max at the much lower price.

OPEN FORUM TOPICS

- **Lucy O provided a report from Marcus regarding speakers outside of H&I speaking treatment centers:**

Hi this is Marcus and I want to present to the H & I committee and area, clarification of the guest speakers for Lakeside every Tuesday.

A good friend of mine and employee of Lakeside asked me if I knew of any really good NA speakers- who would be willing to come out and share their story to the patients on Tuesday nights for an hour. This is all brand new and he wanted to start doing it on an experimental basis.

of course I knew a lot of people in NA with a really good message so I obliged - and ask them members and good friends of mine if they have willingness to do so. As a result it's been going really well for the past month-and-a-half.

There has been some confusion about this being brought to area h & i committee.

This does not fall under h & i. This falls under guest speakers. I called someone at NAWS and talk to them in depth about this and again this does not fall under h & i but guest speakers.

since it's very hard for me to get out to area on Sundays cause of my work schedule I asked Lucy to come and bring this to h & i for clarification purposes.

I wanted to bring this to area h & i committee so there's no confusion about me violating any h and I guidelines. Again, this falls under guest speakers. Thanks ILS Marcus

- Glenn H brought up the topic of meeting schedules and changes on the website: He wants to see what GSRs think about having monthly schedules. This doesn't need to be voted on but suggested discussion and feedback at the area. Members identified pros: more accurate printed meeting schedules regarding location information, save more money and will waste fewer meeting schedules. Cons- none mentioned.

- Homer requested discussion to have a group wide NA social with food and a speaker. He suggested treatment centers get in for free, NA members pay \$5. Group members discussed that this is an activities chair responsibility and stated the need for an activities chair.
